

Who's Who in the World • 2016

SCHUNICHT, SHANNON ANTHONY, retired army officer, political scientist, microbiologist; b. Miami, Fla., Nov. 17, 1961; s. Wayne Anthony Schunicht and Suzanne Chabin (Tindell) Fast. BA in Philosophy and Polit. Sci., Fla. State U., 1983; BS in Microbiology, Tex. A&M U., 1994, BA in Biology, 1994. Cert. real estate agt. Tex. Tchrs. physics U. Syracuse; Am. Assn. Physics Tchrs., Jacksonville, Fla., 2009. Spkr. in field; mem. Phila. Physics The Exptl. Core. When instructing physics, formulas are continually espoused with applications, historical highlights; and derivatives in the same orderly fashion. Students have other classes and assignments. Physics now becomes second, if not discarded altogether. While in the Army, Mr. Schunicht was involved in a mid-air collision, rendering three weeks of unconsciousness. Pragmatic discoveries were made to compensate for the residual memory deficits. The most valuable was having each vowel represent a mathematical operation, i.e. "a" multiplication to imply "x", "o" for division to mean "over", "i" for subtraction to signify "minus", "u" for addition to symbolize "plus", and "e" for "equals." Most constants, and variables are indeed consonants, e.g. "c" = "speed of light" & "z" = "altitude." **ADDITIONAL LETTERS** may be inserted for intelligibility, but need be. **CONSONANTS**. An acronym for The Quadratic Equation is; exCePT i builD rabbits 4 caTS oN 2HaTS Remember Dr. Seuss? The possibilities of this mnemonic technique are limitless as Delta X approaches 0* The application of this mnemonic technique to Western languages is remarkable; however, its application to Eastern characters has yet to be explored! With U.S. Army, 1983-90. Recipient award, Royal Soc. Scis. Uppsala, 2010. Mem. Internat. Leprosy Assn., Am. Soc. for Microbiology, AAPT. Personal E-mail: shannon@mandwinc.net

DE PAOLIS, VELASIO CARDINAL, cardinal; b. Sonnino, Italy, Sept. 19, 1935; L.H. Pontifical U. of Saint Thomas Aquinas (Angelicum); JCD, Pontifical Gregorian U.; Degree in Law, La Sapienza U., Rome; Degree in Moral Theology, Alphonsianum Acad., Rome. Professed Missionaries of Saint Charles Borromeo (Scalabrinians), 1958, ordained priest, 1961; prof. moral theology Scalabrian Sem., 1965-70; rector Scalabrian Fathers' Internat. U., Rome, 1970-74; counselor, gen. procurator Scalabrian Fathers, 1974; prof. canon law Pontifical Gregorian U., Rome, 1971-; Pontifical Urbaniana U., Rome, 1987-; dean faculty of canon law, 1998; sec. Supreme Tribunal Signatura, Rome, 2003-08; appointed Titular Bishop of Thelepte, 2003, ordained, 2004, appointed Titular Archbishop, 2008, pres. Prefecture for the Economic Affairs of the Holy See, Rome, 2008-11, pres. emeritus, 2011-; elevated to cardinal, 2010; appointed cardinal-deacon of Gesù Buon Pastore alla Montagnola (Jesus the Good Shepherd alla Montagnola), 2010, cardinal-deacon, 2011-; Pontifical delegate Congregation of Legionaries of Christ, 2010; mem. Congregation for Divine Worship and the Discipline of the Sacraments, Congregation for the Causes of Saints, Pontifical Council for Legislative Texts, Supreme Tribunal of the Signatura, Administration of Patrimony of the Apostolic See. Contributor to religious journ. Roman Catholic. Office: Palazzo della Congregazioni Largo del Colonnato 3 00193 Rome Italy Address: Piazza del S' Ufficio 11 00193 Rome Italy
